

Torkelson Construction, Inc

Category A

This stunning home with its breathtaking view of the city of Selah was designed by Carl Torkelson and features over 6000 square feet of pure elegance. As you follow the stamped concrete walkway you are led to an elaborately grand arched entry with cultured stone columns and a cascading waterfall. Entering the foyer through the massive 8 foot glass front door you discover a unique open concept floor plan that features 40 feet of solid windows and arched transoms which captivates the impressive view. The formal Dining room with its columned arches and coffered ceiling includes rich hardwood flooring and a beautiful Mediterranean chandelier. The gourmet Kitchen features staggered custom cherry cabinetry, a large granite island with 2 sinks, stainless steel appliances with both gas and electric cook tops and 3 ovens for those perfect holiday dinners. An adjoining Breakfast nook in the tourit overlooks the pool and terrace and captivates even more of the fabulous view. Also located on the main level are 2 large Bedrooms, each with their own adjoining Bathrooms. A large Den/Office, a Master Suite with his and hers closets, a private sitting area and a luxurious Master Bath with a custom tiled walk in shower, double vanities and Jacuzzi tub framed with arches and columns.
