

# WKD Construction, Inc

Category D

WKD Construction welcomes you to view this charming 2500 square foot home with a 400 square foot bonus room. The house sits on 3 acres overlooking Mt. Clemens. With wide crown moulding and tall base boards throughout and the custom cabinets and granite counter tops set the atmosphere with a warm feeling in the dining room.

I would like to thank Abel and Lynn French for allowing me to show their home.
