

1800 Cook Road, Yakima, WA

New Creation Construction feels privileged to present this beautiful home for the 2007 Tour of Homes™. With 2006 square feet on one story, this home is comprised of three bedrooms, three bathrooms, a dining room, great room, nook and attached garage. Unique features include; Lyptus hardwood flooring, custom Lyptus cabinetry by Koalaty Door & Mantle, top of the line wooden windows complete with blinds inside each window, Corian countertops and backsplash, stainless steel appliances, stunning stone fireplace, his and hers master suites, glass block showers and much more. The great room provides a refreshing view over an orchard of fruit trees with easy patio access that requires no steps. Extensive use of pavers lead to the entry of the home or up to the horse barn. New Creation Construction would like to sincerely thank all of our employees and subcontractors who work hard to make sure we provide quality homes to our customers. Thanks also to Tour of Homes™ attendees who have voted for our company to receive the Peoples Choice Award for category B in the 2002, 2003, 2004 & 2006 Tours.
